Care & Cleaning Guide

DO'S

- Gently wipe with a damp cloth dampened with warm water.
- If necessary, a mild soap or a non-abrasive cleaning agent can be used to eliminate any dirt or smudges.
- After cleaning, wipe off any excess moisture.
- If necessary, you can dry the items further with a soft cloth.

DON'TS

- Avoid using abrasive cloths, as they may compromise the faux leather.
- Avoid harsh chemicals, alcohol-based cleaners, or bleach, as they can damage the surface.
