

# PARADIGM TRENDS

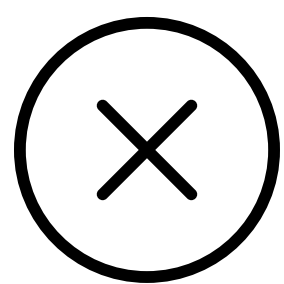

ELEVATING THE GUEST EXPERIENCE WITH EASE

## *Care & Cleaning Guide*

### DO'S

- Wipe resin surfaces with a soft, damp cloth and mild soap to remove dirt and grime.
- Use a non-abrasive cleaning agent to wipe for spots.
- Dry the resin thoroughly after cleaning to prevent water spots or damage.

### DON'TS

- Avoid abrasive cleaners or scrubbing, as they can scratch the resin surface.
