How We Work

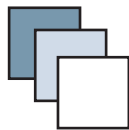

At Paradigm Trends, every project is personal. We partner with you from concept to completion, delivering custom-crafted pieces that meet the moment and reflect your brand. Whether you're furnishing 50 rooms at a boutique hotel or 500 rooms at a sprawling resort, we make the process smooth, flexible, and thoughtfully managed from start to finish.

1. Inquiry and Quote Share your vision, project scope, timeline, and budget. We'll provide a curated proposal with pricing and lead times.

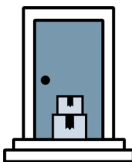

2. Sample Production We produce a sample in your chosen color or finish for mock-up rooms. Standard sample production takes 4 to 6 weeks. For quick-turn projects, stock samples are available.

3. Customization, Branding, and Color Matching Choose from our in-house finishes or provide your own reference or material (COM). We match Pantone, RAL, or custom fabric colors across materials.

4. Order and Scheduling Once approved, your order moves into production. Standard lead time ranges from 90 - 110 days FOB NJ, depending on complexity.

5. Delivery Global delivery is coordinated to your confirmed schedule. Need to accelerate your timeline? Let us know and we'll explore options.
